

Visit the New ACC Spray Polyurethane Foam Health and Safety Website

The Center for the Polyurethanes Industry (CPI) of the American Chemistry Council (ACC), in cooperation with the Spray Polyurethane Foam Alliance, is pleased to announce the launch of its Spray Polyurethane Foam (SPF) Health and Safety website, www.spraypolyurethane.com

This easy-to-use site has a wealth of guidance materials, posters and videos on safe use and handling for both the professional contractor installing spray polyurethane foam insulation and the homeowner using insulating foam sealant for a weekend project.

Visit the site and tell us what you think!
